Note: Approximate estimated contested demands in pending claims for which legal expense fund coverage may be sought is \$368 million. The estimate reflects an aggregation of current judgments on appeal, demands made by plaintiffs, and reasonable estimates of amounts that plaintiffs may demand in cases where no demand has yet been made. All amounts are contested. The Attorney General's office does not express an opinion about the likelihood that any plaintiff will prevail on any claim reflected in the approximate estimated contested demands. Lawsuits served within 30 days before this report are not reflected in the estimate. In addition, the estimate does not reflect cases handled exclusively by the Office of Administration pursuant to its delegation of authority.
